There will be a competition as in previous years with the best 3 scores out of 5 rounds counting (Only one round at Carya can be included in the 3):
These will take place on Sunday/Monday/Tuesday/Thursday/Friday.
In case of a tie the best 4th round will count. If still a tie the best 5th round.
If still a tie, normal count back rules on the last day will be used.

Handicaps

I will take playing handicaps as at 31/8/10 as a guide for the tour, so anyone getting cut at Trads on the 4th of September will get a little bonus.

Each day the winner will be cut, for the next competition round only, as follows:

Handicap 1-10, 1 shot,

Handicap 11-20 , 2 shots,

Handicap over 20, 3 shots.

Anyone scoring between than 36 – 40 points will be cut 1 shot for the rest of the tour.

Do it again and you get cut again! Score more than 40 and the cut is 2 shots.

There will be a random draw each day except the Friday when we go out in order with the top 4 players in the last group. Friday will be Tour Shirt day.

Traditionally this means Dave Butler goes out in the first group.

Swindle

€10 per day, payable as €50 (5 tenners if you can please).

Prizes
